A Message from Our President

Serving the needs of the community has been the mission of Riverside since we opened our doors in 1964. Our organization has grown in the geography we cover, as well as the variety of services we offer. But our commitment to our community has not changed. Please take a moment to gain a clearer understanding of just how Riverside continues to make a positive difference in the lives of everyone every day.

It is our privilege and our purpose.

Phillip Kambic, President and CEO
