

1. Go to [www.epic.com](http://www.epic.com)
2. You'll see this page. Click on "Request an account":

The image shows the Epic UserWeb login page. It features the "Epic UserWeb" logo at the top. Below the logo are two input fields for "Username" and "Password". There is a "Stay signed in" checkbox and a "Sign In" button. At the bottom, there are two links: "Forgot username or password" and "Request an account", with the latter being circled in red.

3. From here a form will open. Fill out all the information you can, and make sure you use your Riverside email address! You will not be allowed to open an account if your email is not an official Riverside one.

Once you have completed and submitted this form, you will get a confirmation email. You're all set!

The image shows the Epic UserWeb registration form. It is titled "Epic UserWeb" and is divided into several sections: "Profile Information" (with fields for First Name, Last Name, Role, NPI, Email, and Phone), "Account Credentials" (with fields for Username, Password, Confirm Password, Security Question, and Answer), "Employment Information" (with dropdown menus for Employee Type, Country, and Epic Organization), and "Comments" (with a text area). A "Submit" button is located at the bottom.
