1. **ATTACH Mission Statement:**

The reporting entity must provide an organizational mission statement that identifies the hospital's commitment to serving the health care needs of the community and the date it was adopted.

2. **ATTACH Community Benefits Plan:**

The reporting entity must provide its most recent Community Benefits Plan and specify the date it was adopted. The plan should be an operational plan for serving health care needs of the community. The plan must:

1. Set out goals and objectives for providing community benefits including charity care and government-sponsored indigent health care.
2. Identify the populations and communities served by the hospital.
3. Disclose health care needs that were considered in developing the plan.

3. **REPORT Charity Care:**

Charity care is care for which the provider does not expect to receive payment from the patient or a third-party payer. Charity care does not include bad debt. In reporting charity care, the reporting entity must report the actual cost of services provided, based on the total cost to charge ratio derived from the hospital's Medicare cost report (CMS 2552-96 Worksheet C, Part 1, PPS Inpatient Ratios), not the charges for the services.

Charity Care \$ 2,224,622

ATTACH Charity Care Policy:

Reporting entity must attach a copy of its current charity care policy and specify the date it was adopted.

4. **REPORT Community Benefits** actually provided other than charity care.

See instructions for completing Section 4 of Form AG-CBP-1 (Community Benefits Plan Annual Report Form For Not For Profit Hospital)

Community Benefit Type

Language Assistant Services	\$__193,155__
